

Our Mission Statement: *'Inspired by the Holy Spirit we are a Eucharistic community called by God To share the love of Jesus Christ and create a welcoming parish of renewal and mission.'*

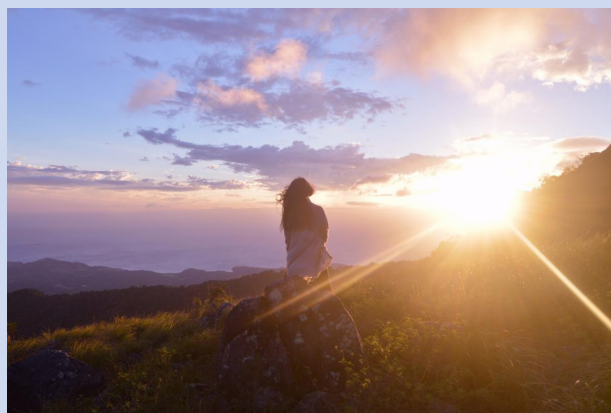

**Quote:**

To die to self and what the self wants is the essence of suffering. If I want something and get another thing instead, I suffer, both because I do not get that which I want, and also because I get what I do not want. But if I want only God's will, I do not suffer, because I always get God's will. We suffer to the extent that we are out of line with reality, ultimate reality God's will. God not only compensates us for our sufferings, he turns suffering into perfect joy if only we obey his first and greatest commandment wholeheartedly.

- Peter Kreeft

**The Assignments:**
