

MISSION POSSIBLE

Our Mission Statement: *'Inspired by the Holy Spirit we are a Eucharistic community called by God To share the love of Jesus Christ and create a welcoming parish of renewal and mission.'*

Reflection:

As Christians, we recognize the love God has for everyone. Just as that love motivated Jesus to find the greatest sinners and treat them with compassion, we must also address each other out of the love God has taught us.

Quote:

Life with my parents and the other family members was natural and pleasant. Mutual support happened spontaneously and guaranteed the survival of people as well as of material and spiritual values. Until a few years ago, those bonds were so strong in the rural culture that they safeguarded ideals. The willingness to make sacrifices for others, to be able to wait for a reward, the devotion to work; for me, these are everlasting values. The joy of working together and sharing what was being produced turned work into a joyful liturgy, not a punishment. There was no wealth, but we were happy. ~Brunello Cucinelli
