

Our Mission Statement: *'Inspired by the Holy Spirit we are a Eucharistic community called by God To share the love of Jesus Christ and create a welcoming parish of renewal and mission.'*

Reflection:

Life is a pure gift, and we should always be mindful that God entrusts everything in our lives to help us serve him and our brothers and sisters. If we view life from this perspective, we will have no business with anxiety because life does not depend entirely on us but on God.

Quote:

...success follows a predictable course. It is not the brightest who succeed. Nor is success simply the sum of the decisions and efforts we make on our behalf. It is, instead, a gift. Outliers are those who have been given opportunities and have had the strength and presence of mind to seize them. They were born at the right time with the right parents with the right ethnicity. We are so caught up with the myths of the best and the brightest and the self-made man that we think outliers spring naturally from the earth. -Malcolm Gladwell, *Outliers: Stories of Success*

The Assignments:

- Focus on making your daily activities - parenting, pursuing your career, hobbies, or involvement with your family - a partnership with God. This partnership should produce fruits, even if they are small.
- To do this, start your day by offering your prayers, joys, and sufferings to God. Remember this prayer

Throughout the day to stay connected with God.

- As a faithful steward of God's resources, be generous to the Bishop's Annual Appeal. Spend time in prayer with your family to be intentional about your donation.
- October is the month of the Rosary. Families are encouraged to pray the Rosary daily with their children and participate in children's activities throughout the month. Draws with prizes will be held at the end of the month.
