

Our Mission Statement: *'Inspired by the Holy Spirit we are a Eucharistic community called by God To share the love of Jesus Christ and create a welcoming parish of renewal and mission.'*

Reflection:

Jesus challenges us to embrace authenticity and stop pretending on our way through life. Unfortunately, like the Pharisees, we may become so preoccupied with people's opinions that we fail to live according to God's plan. In a world that is obsessed with image, we need to take a step back and re-evaluate our priorities. We can only experience true fulfillment when our personal and professional aspirations are aligned with our values.

Quote:

The logic of worldly success rests on a fallacy: the strange error that our perfection depends on the thoughts and opinions and applause of other men! A weird life it is, indeed, to be living always in somebody else's imagination, as if that were the only place in which one could at last become real! *Thomas Merton, The Seven Storey Mountain*

The Assignments:

- When you attend Mass, be mindful of your approach to your fellow worshipers. Are you welcoming? Or are you judging the postures, gestures, and attentiveness of those around you?
- Begin the practice of morning and evening prayer as a family to sanctify your day. If you live alone, consider praying the morning and evening prayers in the iBreviary.
