

Our Mission Statement: *'Inspired by the Holy Spirit we are a Eucharistic community called by God To share the love of Jesus Christ and create a welcoming parish of renewal and mission.'*

Reflection:

We need a strong prayer life to stay centred. Prayer makes us faithful stewards because it reminds us that what we have is not ours, but we are instruments of God in the world. It also empowers us to be those instruments and creates opportunities to witness and teach.

Quote:

Prayer frees us to be controlled by God. To pray is to change. There is no greater liberating force in the Christian life than prayer. To enter the gaze of the Holy is never to be the same. To bathe in the Light in quiet wonder and glad surrender is to be slowly, permanently transformed. There is a richer inward orientation, a deep hunger for communion. We feel as if a new control Center is taking us over, and so we are. ~Richard Foster

The Assignments:

- Encourage someone struggling with doubt by pointing out the many examples of people who achieved great good through perseverance and faith in their vision and gifts.

- Identify an area where you are not investing well enough and renew your commitment as a steward: your prayer life, witnessing in public and expressing Christian values in your family and among your friends.
