

Our Mission Statement: *'Inspired by the Holy Spirit we are a Eucharistic community called by God To share the love of Jesus Christ and create a welcoming parish of renewal and mission.'*

Reflection:

You know those who are transformed or untransformed by the method they use to fight evil. It is either one is completely quiet about it, or one adopts a violent attitude. It is only those who have been liberated that fight evil with humility and love. We have evidence that the word of God can reveal and destroy evil in the case of the man in the synagogue. You must make space for it to transform you.

Quote:

By opening our lives to God in Christ, we become new creatures. This experience, which Jesus spoke of as the new birth, is essential if we are to be transformed nonconformists . . . Only through an inner spiritual transformation do we gain the strength to fight vigorously the evils of the world in a humble and loving spirit.

-Martin Luther King, Jr.
