

MISSION POSSIBLE

Our Mission Statement: *'Inspired by the Holy Spirit we are a Eucharistic community called by God To share the love of Jesus Christ and create a welcoming parish of renewal and mission.'*

Reflection:

The key to understanding Jesus is to distinguish liking from loving. In Biblical language, love does not mean so much the feelings that one has towards another. Instead, it refers to deeds of loving kindness towards others that communicate that God equally loves them. We are commanded to act in the best interest of others, no matter how we feel about them and their failure to reciprocate our love. When we struggle with loving another person who irritates us, we might look at the Lord's love for us. Think not only of His Cross but also of the Lord's dealings with us now. He cares for us, supports us, and forgives us. He acknowledges us as his own, no matter what we may have done.

Quote:

Genuine love is volitional rather than emotional. The person who truly loves does so because of a decision to love. This person has committed to be loving whether or not the loving feeling is present. ...Conversely, it is not only possible but necessary for a loving person to avoid acting on feelings of love.
