

Our Mission Statement: *'Inspired by the Holy Spirit we are a Eucharistic community called by God To share the love of Jesus Christ and create a welcoming parish of renewal and mission.'*

Reflection

The Psalmist tells us that God opens his hands wide and satisfies the desire of every living thing. Interestingly, God will not come down from heaven and meet our needs. He needs ordinary people like you and me to be his instruments of abundance.

Quote

It is rare indeed that people give. Most people guard and keep; they suppose that it is they themselves and what they identify with themselves that they are guarding and keeping, whereas what they are actually guarding and keeping is their system of reality and what they assume themselves to be.

- James Baldwin, *The Fire Next Time*

Assignment

We must be generous like the man from Baal-Shalisha and the boy with five loaves and two fish. When we give what we have, God multiplies our resources.

Activities

1. This week, carve out time for prayer when you can be all by yourself. Each day, return to that space to be in the presence of the Lord. During your prayer, reflect on the blessings you have received from God and the resources you have.
2. Think of someone in need. Contact that person and become God's instrument of abundance.
